SLEEPING COMFORT

Boxspring

The bed creates a dream island in any bedroom

Boxspring offers utterly sumptuous comfort and luxurious rest. hülsta Boxspring makes selection an easy task. Choose from timeless designs ranging from classic to opulent by simply combining the headboard, box, cover and sizes to suit your individual requirements.

Our models can be finished all-round and can therefore be positioned anywhere in the room. When placed away from the wall, hülsta Boxspring creates new interior designs: You sleep how and where you always wanted to.

Whichever headboard and size, box and legs, the timeless shape can be perfectly combined with your existing furniture, helped by the versatile JAB ANSTOETZ cover fabric selection. hülsta Boxspring combines the highest comfort, classic designs and outstanding "made in Germany" quality to create the highlight for your bedroom.
